STUDENT TRAVEL PLANNING – MADE SIMPLE

We know planning student travel comes with a lot of responsibility. That's why we've built a process that's clear, supportive, and designed to save you time.

How it works

► TELL US ABOUT YOUR GROUP

Share your grade level, group size, travel goals, and preferred dates.

► WE BUILD YOUR CUSTOM TOUR

Our team designs an itinerary aligned with your educational objectives and budget.

► REVIEW AND REFINE

You approve the itinerary, pricing, and pacing, we adjust as needed.

► WE HANDLE THE DETAILS

Coordination of transportation, accommodations, attractions, and scheduling are handled by us.f.

► TRAVEL WITH CONFIDENCE

Enjoy a well-supported trip from departure to return.

What we handle

- Transportation and itinerary coordination
- Hotel, attraction, and supplier bookings
- Payment schedules and deadlines
- Trip timelines, confirmations, and logistics
- On-trip support and communication

What you handle

- Promoting the trip within your school or organization
- Fundraising efforts
- Communication with parents and guardians
- Leading and engaging students during travel

Words from our seasoned advisors!

Being a group travel advisor, I value the ability to thoughtfully plan and manage every detail, allowing groups to travel with confidence and ease. Creating well-organized, meaningful travel experiences is what I find most rewarding.

REGINA SULLIVAN

35 years with Horizon Club Tours

What I love most about my job is building genuine connections with clients—learning about their lives and families, understanding their travel dreams, and sometimes sharing those experiences firsthand. Witnessing or hearing about their joy and amazement as they discover new destinations is truly special, like being part of a milestone moment. Those shared memories and moments are what make this work so rewarding.
